92nd YEAR, NO. 11

FIFTEEN CENTS

Streets named after Holbek, Toft, Wilton.

One Liner

He who has known heights and depths will never again walk the way of the common man.

INSIDE: Cancer Society's annual Bike-A-Thon will be held Sunday, Oct. 2. Story on page 5.

Remember Turner Drive, the street that runs north of Orchard where the new rescue squad and fire department will be built?

Henceforth, it will be known as Holbek Drive, in memory of Herman Holbek, one of the founders of the Antioch Rescue Squad.

How about Broadway Street? Forget that label. It's now Toft Ave., named after former Mayor Raymond P. Toft.

And Quality Street, which links Main St. to Victoria, has been named after our most recent mayor, Robert C. Wilton. From now on, it's Wilton Drive.

THOSE DECISIONS WERE made by Mayor Mike Haley and the village board last week.

United Way kickoff is scheduled

Robert P. Neal, president of Able Electronics and general campaign chairman of United Way, has announced that the campaign kickoff is scheduled Sunday, Sept. 25 at Marriott's Great America.

Great America is providing complimentary tickets for all United Way volunteers. Volunteers' family members can purchase tickets at the group rate of \$7 each.

As part of the kickoff they will be treated to a special showing of "Holiday."

The players did their best, too, but plan to be even better Friday night when they travel to Fox Lake to play Grant High School. (Photo by Paul Maplethorpe.)

Saturday Highlight: Rotary's Bar-B-Que

The Rotary Club of Antioch will hold its biggest event of the year Saturday night, the annual Country Bar-B-Que and Dance at St. Peter's social center.

The same caterer who prepared delicious bar-b-queued pork chops the last two years, Wilder Fay of Danville, will return to satisfy the appetites of this year's crowd.

DINNER WILL be served from 6 to 9 p.m. An antique auction is scheduled from 7 to 9:30 p.m., and dancing will follow.

A flea market will be held throughout the evening.

Vern Thelen, who is in charge of the event for the Rotary Club said he is still looking for persons who have antiques they would like to donate.

"WE'LL GIVE them a receipt for the value and it will be tax deductible," Mr. Thelen said. "He asked that persons with antiques contact him at 395-3313 or Francis (Bud) Scichowski at 395-0015.

"We'll be glad to come and pick up the auction item," Mr. Thelen said.

Proceeds from the dinner will be used by the Rotarians to support community projects.

TICKETS CAN be purchased from Rotary Club members, at any of the three Antioch financial institutions, or at the door on Saturday night.

The Rotarians will hold their annual beef raffle on the same night.

Grade School Band Parents Meeting

By BONNIE BORLA

Last week the Antioch Grade School Band Parents held their first meeting of the new school year.

Mary Fries installed the new officers. They are Elsie Quedenfeld, president; Judy Wells, vice president; Jean Noethling, recording secretary; Bonnie Borla, corresponding secretary, and Joan Larson, treasurer.

We would like to thank last year's officers on a job well done and hope we can do as well this year in getting the band parents together for work and fun.

A WARDROBE committee has been selected. It will fit the students for band uniforms and make alterations and repairs if needed during the school year.

A committee was selected to help plan a "fun fair" in October. Also, there will be a candy drive in November.

People wishing to sell used instruments can contact Mr. Wagner or Miss Higus to see if they have students who want to buy an instrument. Mr. Wagner said they need tubas, baritones and french horns to use at the school.

A NEW TIME was set for meetings. They will be at 7:30 p.m. on the first Tuesday of each month at the Upper Grade School.

We hope all band parents will join us at the next meeting and join with other parents who care about the band program.

Calls PM&L meeting 'lousy performance'

Letter to the Editor:

PM&L Theatre - usually noted for its fine shows - gave one of its lousiest performances Sunday night at the PM&L Theatre on Main Street in Antioch.

At their annual meeting and election of officers, they disenfranchised all the new members and would not allow them to vote. They refused to accept nominations from the floor for new members who had paid their dues, and were guilty of estoppel to the "nth" degree.

The board of directors wielded the rules and regulations to suit their own purposes, sticking to the by-laws when it would benefit them, bending them when they desired, and completely disregarding the by-laws if it were to their advantage.

AS ONE OF THE ORIGINAL organizers of the theatre group 17 years ago, I feel it is my duty to let the public know what is going on behind the scenes. After advertising that the organization is open to all interested people, and after urging the public to become members, the board voted to deny membership to nine new applicants. The reason stated for turning down the membership of two of the people was that they were not active in the theatre, but the two applicants had donated equipment and furniture to the theatre, had attended at least three of their shows this past year, and worked on publicity - taking over 100 pictures of one of the shows this year. Does this sound like inactivity?

THE BOARD FURTHER VOTED to rescind the membership of two of the area's most talented artists: Pat Jamison, who has won many awards for her outstanding performances, directed two shows for PM&L with professional expertise (Pajama Game and Charlie's Aunt), and created successful workshops for PM&L members; and Mark Jamison who worked many long hours at the theatre both on stage and backstage.

They were kicked out of the organization without a hearing. The board of directors read for the first time a list of charges, and would not even allow the Jamisons to answer any of the allegations or explain their actions.

I was honestly ashamed to be a part of an organization that would not even allow the accused an opportunity to answer the trumped-up charges or explain their actions. We started the theatre as a community project - open to the public, but the board of directors made a special point of saying they were a PRIVATE organization and could do as they please.

Commentary

By SUE KOPPA
Parks, Recreation Coordinator

As I reflect upon the past summer program of the parks and recreation of the village of Antioch, I would like to express a feeling of praise and commendation for the summer staff of all of our programs, namely; day camps, football, tennis, track and field, golf, soccer, girl's softball and, in particular, the Aqua Center.

I would like to commend Bill Brennan, our pool manager, and his staff for a job well done! I believe our pool staff is the youngest in Lake County and, through the efforts of Bill, our pool received a perfect rating from the health department for this summer.

This may not seem too outstanding, unless you know that Antioch was one out of only two pools that received a perfect rating out of 200 visited. Now that's outstanding!

BILL IS IN HIS last year at Illinois State University in Normal, Ill., and will be graduating with a degree in business administration with concentration in pool management. Bill carries out his education in his work.

The staff, under Bill's direction, mainly composed of high school and college students and, of course, our super swim instructor, Winnie Sorensen, and swim team coach, Marty Berry, all did a super job.

I have a great deal of respect for this young man and for his attitudes, goals and ability to be a good manager.

These young people keep alive our faith for the future of our community!

have people been openly discriminated against and denied membership. People who are directing now, and have been active in the theatre for 17 years, and who paid their membership dues Sunday night were not allowed to vote, nor to be nominated for office. A former board member was not allowed to vote, and the present board refused to allow his nomination from the floor.

It was pointed out by the parliamentarian that the board could be sued for their actions, but they paid no heed.

It was a true-life drama. Season ticketholders missed a rare evening in the theatre. It's too bad it turned out to be such a tragedy.

"I just don't know ... either Carter is looking worse and worse or Nixon is looking better and better..."

Regarding School Board Problem District 34:

As a taxpayer, parent and former school board member of District 34, I am shocked at the operations of our present board, with the exception of one member, Milo Bailey.

Apparently a quest for power and authority have become this board's primary motivation. It seems only reasonable to ask who will become its next target. How much will that cost us? Will it be a principal, a teacher or maybe even a student next time?

Is the way in which these board members have handled themselves, their way of showing concern for the children of the district?

Their inability to get along with another adult for 3 to 3½ hours, twice a month has cost us \$27,500, plus the loss of a tremendous superintendent.

Their problems appear to stem from each of the six people feeling that they should tell the superintendent what to do at all times not just as board members at their regular meetings. It also seems apparent that they are unable to recognize that school boards are primarily a policy setting entity and not administrative. Mr. Meyer is a good administrator and is doing a good job. No one can be expected to work for six different bosses, especially when each might have a different view of what is to be done.

Our board might learn something from a child's example of being upset at someone one minute, because of an argument or disagreement, and a few minutes later he will be back doing things with the other person having forgotten the quarrel as if nothing had happened. I hope the children don't learn from the board's example of never giving an inch and always holding bitterness as if it were something to be proud of. If they really care about the children of the community, why are they themselves showing such a bad example?

Sharon Krom
District 34 resident

Calls Meyer 'payoff' grossly irrational

Editor,

I have never before written to a newspaper, but I feel the circumstances surrounding the "payoff" of Mr. Henry Meyer, Superintendent of District 34, demand it on two counts. First, I was quite intrigued by the letter from Miss Mildred LaPlante to the Antioch News. Miss LaPlante devoted nine unselfish years to serving the students of District 34 as a school board member. She was a member of the board that hired Mr. Meyer. In all the years she was on the board she never found reason to vote "no" on a contract renewal for Mr. Meyer. Now, several years since she was on the board we find her commanding the board for its spending of an additional \$27,500 to get rid of Mr. Meyer, even though the reasons for that expenditure have supposedly remained a closely kept secret. This is not logical!

MY SECOND REASON for writing is to comment on the gross irrationality of the whole situation. Everything that has been learned about the situation points to severe incompatibility on the part of the two parties. This has been supported by statements of several board members. It is freely acknowledged that the board has no legal or moral grounds for firing Mr. Meyer, hence the necessity of the "payoff" to get rid of him. Citizens who do not support District 34's educational policy should not applaud this action anticipating a change. The board is very supportive of the educational philosophy of the district and has reaffirmed their support annually by board action. Citizens SHOULD BE irate for the following reasons:

1. the board, facing a \$200,000 debt, turned down an administrative request for an additional half-time speech correctionist even though our present speech teacher's case load exceeds that allowed by law and more students who need services are not getting it;

2. to save money, the board turned down a request for an additional art teacher at the elementary level, even though our present art teacher was responsible for over 1,000 students in three buildings (The art teacher subsequently resigned.);

3. for the first time the board set a limit on how much could be spent for the replacement art teacher (to save money) and to date no one has been hired that fits the limit (Mr. Meyer asked for an increase in that limit, but the board turned him down);

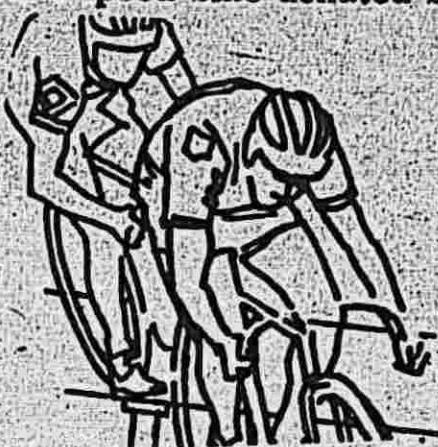

4. countless other cuts were made in budgetary items that teachers and principals had requested for their classrooms and buildings.

DESPITE THESE FOUR COSTLY categories of cuts, the board found \$27,500 to "pay off" Mr. Meyer because they couldn't get along with him in their twice a month meetings, NOT because they disagreed with his educational philosophy and NOT because they had any grounds for firing him. In light of the financial straits District 34 is in, it would seem to be cheaper and easier for the board to resign and get new board members that could

Cancer Society Bike-A-Thon scheduled

Pres. Reckers, chairman of the American Cancer Society's 6th annual Antioch Bike-A-Thon, has announced that the 1977 event will be held on Sunday, October 2nd, from 9 a.m. to 4 p.m. Prizes to be awarded to top riders in the 1977 Bike-A-Thon include a 10-speed bike donated by the State Bank of Antioch, a 5-speed bike donated by the Shoe Box and a 3-speed bike donated by Four Squires.

St. Peter's plans 'Holiday Bazaar'

St. Peter's Women's Club will hold its annual Holiday Bazaar Nov. 5 and 6 in Father Frawley Hall.

All the women of the parish are asked to donate handmade items and homemade foods such as jams, jellies, pickles and holiday cookies.

A meeting will be held on Tuesday, Sept. 20, at 7:30 p.m. in Frawley Hall for those wishing to work on the bazaar or wishing to make items for sale.

Workshops will be planned at that time. Co-chairladies will be Jerry Dost, Helen Graczyk, Margaret Belongia and Sheila Schroeder.

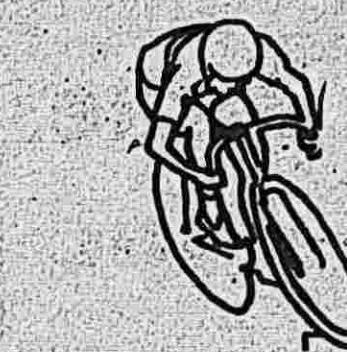

MATERIALS ARE NEEDED to make items for sale at

Entry blanks are now available in area schools, at the Antioch Village Hall, State Bank of Antioch, The Shoe Box and Four Squires.

The annual Bike-A-Thon event will be taking place on fourteen separate routes throughout Lake County. The seven-mile Antioch route will start at the fire station and proceed west on Orchard Street to David Street, then south to Lake Street, west to Tiffany Road, north to North Avenue, south to Little Silver Lake Road and west to the fire station starting point.

Participants in the Bike-A-Thon may begin their ride only from the first checkpoint of the fire station starting at 9 a.m. Other checkpoints on the route are the Antioch Evangelical Free Church on Tiffany Road and the Atwood residence on Deep Lake Road, south of North Avenue.

Riders are encouraged to ride the Antioch route as many times as they are able, but no one can pass through

PRESTON J. RECKERS

"checkpoint one" at the fire department after 3 p.m.

Anyone who wishes to participate should obtain as many sponsors as possible prior to the date of the ride. Parents, teachers, friends, relatives, neighbors, merchants and businesses are good sources. They can be asked to sponsor riders for each mile they ride. For instance, a good starting pledge would be a dime a mile, and many sponsors in the past have paid more per mile.

Riders may carry a small passenger during the ride and sponsors for the little one can also be obtained.

PRIZE-WINNING "TOP RIDERS" in the 1976 Bike-A-Thon event were: Butch Zannini, first prize with a total of \$365; Mark Maglio, second prize with \$282; Billy Paschke, third prize with \$175.

"This events attracts riders of all ages" said chairman Reckers, and we have always been fortunate to have the total cooperation of the community including interested citizens, members of the fire department, police department and Antioch Jaycees. If you're planning to take a Sunday ride on October 2nd, says Reckers, we welcome one and all to make it a cycling event for the benefit of cancer research."

50 YEARS AGO: SEPT. 15, 1927

There are more foreign-born Germans in Illinois than foreign-born of any other nationality.

Antioch and the Midwest will obtain relief sometime Friday from the sweltering weather of the past five days. The torrid wave struck Antioch Sunday and has brought record high temperatures for the month of September. Coming behind a drought of two months, broken only by one rain last week, the intense heat has caused untold damage to crops and a vast amount of discomfort to all. On Monday, the mercury climbed to the unprecedented high for September of 95 degrees. It has since hovered between 95 as a daytime temperature and 79, the lowest point reported since Sunday.

In the Bankers' golf tournament at Glen Flora Sunday, C.K. Anderson of the Antioch First National, captured the second score, bringing back an 82 over a strange course with only two 81's ahead of him.

20 YEARS AGO: SEPT. 12, 1957

Antioch High will turn its varsity football team loose against the Wilmot Panthers here Saturday in a non-conference game. Coach Robert Walther will have six lettermen in the lineup: Possible starters include Joel Armstrong and Leroy Gallagher at ends, Dick Gudgeon at halfback, George Lystlund or Russ Cote at quarterback, Don Pyle at fullback and Tom Malowski at center.

Grass Lake Cub Scouts Pack 80 was well represented at Camp Ma-Ka-Ja-Wan on family weekend. The following families from Pack 80 took over the entire Mohawk village: the George Pierces, Carl Cogdills, Mike Wojnowiaks, Gordon Pierces, Frank Walshs and Clyde Queens.

The Antioch Lions Club observed its 20th anniversary at the Angels Restaurant. Loren Sexauer was the only one receiving the 25-year chevron. Charter members with 20 years of service in the club were Elmer E. Brook, J. Ernest Brook, Irving W. Carey, Walther S. Darnaby, James F. Horan, Frank D. Powles, William A. Rosing, Walter I. Scott and Edmund F. Vos. Fifteen years of service were given by Dr. Wilfred A. Biron, William E. Brook, Rudolph J. Eckert, Herman Holbek, Edward C. Jacobs, Dr. George W. Jensen, Lloyd E. Murrie, Anthony Scully, Arthur Smejkal, Roman B. Vos and George S. Wagner.

Along the Way with Annie Mae ... Angie Maras reports there is an Oct. 4 deadline on the "Make It Yourself With Wool" contest. She will be on WKRS Wednesday, the luncheon show, to discuss details.

The first home in Sequoia Terrace, the new subdivision in Antioch running from Hillside to North Ave., was occupied last week. Mr. and Mrs. Adrian Mueller and children were the first occupants of the subdivision. Mr. Mueller is a teacher at Antioch High School and coaches the cross country team. Sequoia Terrace takes in 40 acres. The developers are John Blackman, Art Laursen, Victor Klimas and William Phillips.

Coach Roy Nelson is making no predictions about Saturday's football game, the first of the season for Sequoia. Joe Pass will be returning at center and four other seniors will be in the starting lineup. Junior Ralph Zanck will be quarterback. Antioch had six wins and one loss last year but is losing such stars as fullback Ty Walls and quarterback Jerry Whitson. Walls scored 161 points in three years.

CHUCK CERMAK, American Family Insurance agent, will be moving his office into the village, at Orchard and

The friendly insurance agent presently at Rte. 59 and Grass Lake Rd. hopes to be in his new location by Oct. 1. I'm certainly glad the "hometown boy is coming home."

THE GUYS AT Grass Lake Lumber Co. have been busy the past few weeks. They've been painting the huge pillars at the entrance of the building.

They really look good, but I'm not sure I would have gone that high without something to hold on to.

JUDY, FROM CORBIN'S Travel Agency, called with a good tip for eating out.

She found Fox Lake Country Club to be very charming with quality food at reasonable prices.

Thanks for the advice, we must agree with Judy that the setting is beautiful.

Masons seek blood donors on Sunday

On Sunday between 1 and 5 p.m. Masons from the Sequoit Lodge in Antioch, Rising Sun Lodge in Grayslake and the Millburn Lodge will share in the life giving process of donating blood.

"There is an urgent need for blood donors in order to offset the blood shortage in this area," said Robert G. Learmont of the Sequoit Lodge.

"Donating blood is a two-fold source of personal satisfaction," he said. "First is the feeling you only get when you give a part of yourself, in this case, your blood, to help save the life of another human being. Secondly and possibly of more direct interest to the donor is the sense of security in knowing that the donation covers him and his family by a nation-wide blood replacement program administered by Blood Services of Chicago."

Although this is primarily a Masonic program, it is open to non-Masons as well. They are invited to join as proxy donors in which case the donor and his family will be covered under the program just as Masonic donors.

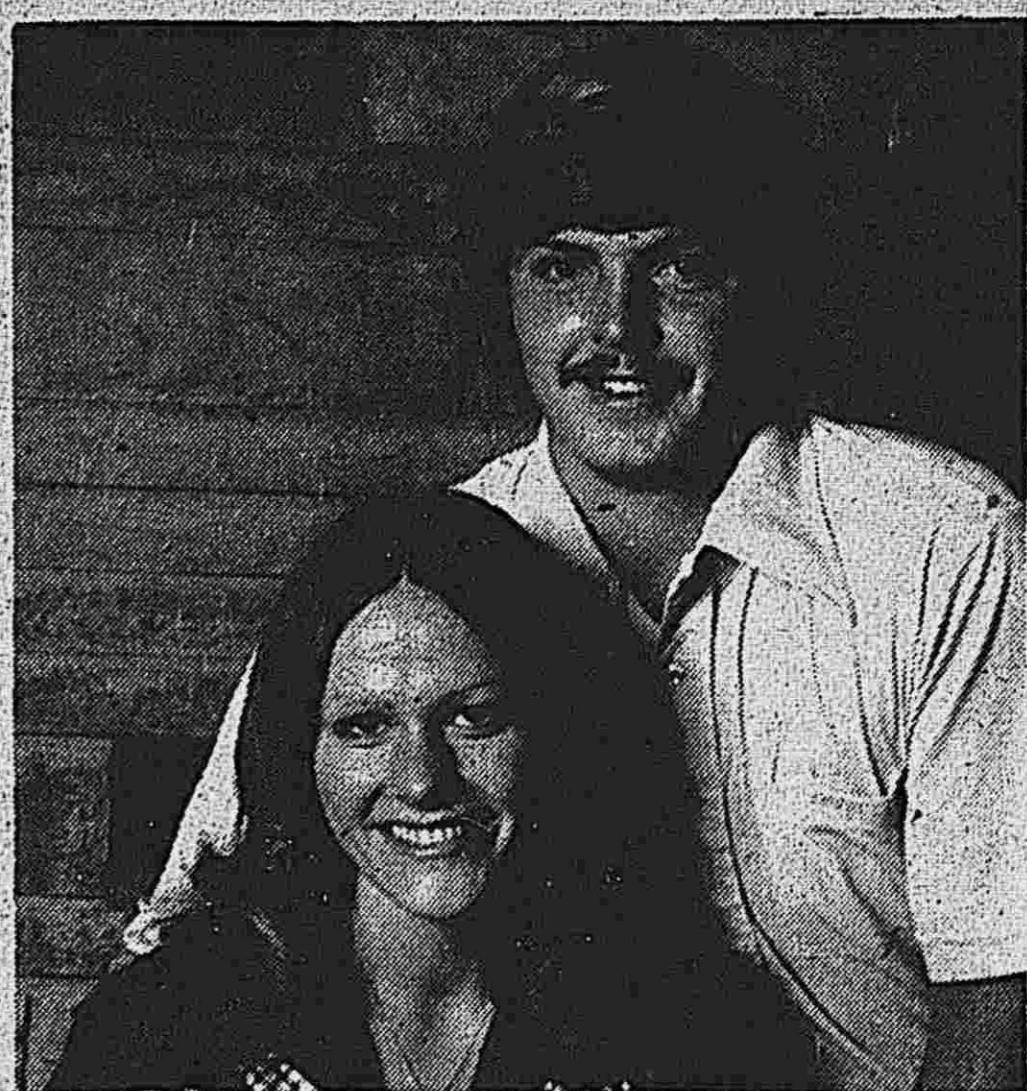

To schedule an appointment to donate, or to receive further information, please call Robert G. Learmont 395-1978, Jim Gamblin 223-2448 or Bob Sagely 662-0753.

Plan low-cost taxi rides for seniors

Senior citizens living throughout Antioch Township may soon be able to take taxicabs to the doctor, dentist or shopping at a reduced cost.

Although the final details of the program have yet to be approved, Antioch Township Supervisor, Jim Fields, indicated that a recommendation for half-fare taxicab rides for seniors will be investigated by the Township Board.

The basis for such program is the result of an extensive study of the travel needs of senior citizens conducted by the Lake County Council for Seniors. According to Harold Twomey, President of the Council, nearly 16 percent of the residents of Antioch township are 60 years of age or older and many no longer drive and are in need of improved transportation.

A similar program, funded by Federal revenue sharing funds, was implemented by the Village of Antioch as of

May 1. Marilyn Sterbenz, Village Clerk, indicated that around 100 taxicab trips are made each month by seniors registered for the village program.

If the Township Board determines that adequate funds are available for the program, and that acceptable fares can be worked out with the taxicab companies, then the program may become operational after the beginning of the year 1978.

The basic way the program would work is that senior citizens will have to register at the township office. They will be given 16 cab tickets a month. When a senior takes a cab, he would pay the reduced rate and turn in a ticket to the driver.

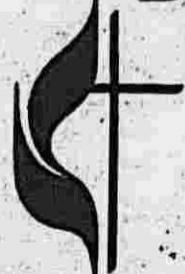

Further details will be made available from the township.

TAKE IT FROM TEELEY

Let's face it,
Jaycees are
super stars

By MIKE TEELEY

The Antioch Jaycees had a rousing Sunday afternoon avenging a 16-inch softball loss to the Round Lake Jaycees while at the same time earning \$50 for the fight against Muscular Dystrophy.

As usual the short fences at the Antioch Little League park restored a lot of egos. There were numerous home runs but at least four of them would have cleared the fence at Furlan's Dug-Out.

JAY BRUSKI, OUR NEWEST member, led the onslaught with two three-run homers. He was assisted by John Christiansen who drove in two runs with a homer. Between them they drove in eight of our 14 runs.

There were also some sparkling defensive plays by Reed Aro and Chuck Balmes. It's unfortunate for Reed and Chuck that they weren't aware they were making the plays at the time.

Once again Gary O'Reilly, who is STILL celebrating the birth of his new son, (8 lb. 7 oz.) was steady and reliable. His use of the defensive walk was effective. It seems to be the perfect pitch for Gary. If only he wouldn't use it on so many batters.

THE JAYCEES HAVE THREE more games lined up in the next month, including two against teams of suspected ringers, the State Bank All-Stars and the World Famous Village Pub patrons.

Bill Georgeson of the Pub assures us that his team will be only regular patrons, but he has been seen offering free drinks to some awfully large men lately. He even tried to recruit the Jaycees' gorilla during Maxwell Street Days. (I wonder if he's still sore because we didn't put beer in the dunk tank for him.)

Beginning in early November the Jaycees will take on all comers in charity games of basketball or volleyball. If you have a team and \$25 for charity you can pick your game and call Bill Anderson at 356-5376.

Thought for today

When we are willing to suffer, we are able to live.

The elephant shrew of Africa weighs just six ounces!

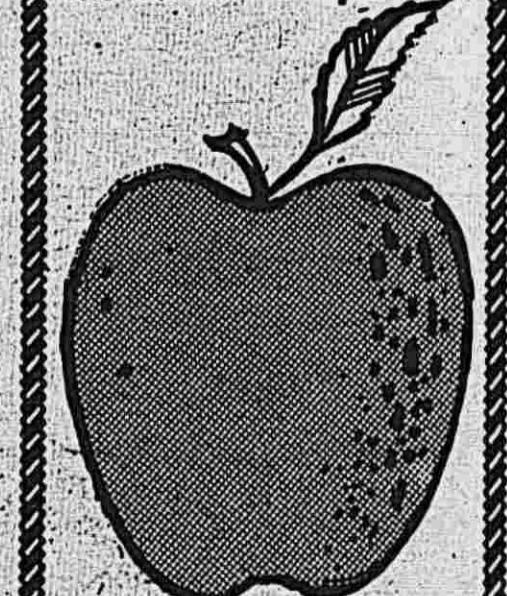

IF YA DON'T WANT TO GO TO COLLEGE THE V.A. WILL PAY YA TO GO TO A VOCATIONAL SCHOOL!

It is true that the process of updating our equipment and refurbishing our facilities is a continuous one, but frankly there is no other way we can uphold the tradition that has guided our establishment since its founding. That is to provide a memorable service which honors the deceased while giving solace to the living. Without change standards deteriorate and this, in turn, affects the performance of personnel. Moreover, a gradual and continuous policy of keeping abreast of things is actually less expensive than belated major renovations . . . and in these inflationary times that is important not only to us but to those we serve.

Village Board

Continued from page 1

The sign ordinance, also came up and the board authorized its attorney to draw an ordinance removing the sign problems from the planning and zoning boards. The village board itself probably will administer the ordinance.

Mayor Haley said he thinks the sign law, adopted by the board eight months ago, is "too restrictive" for the new businessman who wants to post a sign near others which are already there.

Others on the board said changing or getting rid of the sign law is an obvious setback in trying to control too much "signage," in the village.

It took at least eight years for a sign law to be passed in Antioch, Haley said.

The sign law was designed to give businessmen, who already have signs up, five years to conform to the new rule.

Trouble interpreting how the law affects new signs surfaced at a board meeting a month ago.

A SPECIAL BOARD meeting was held Monday night "for the purpose of approving a subdivision plat for "Flora Acres," on land within 1½ miles of the village. It is on Rte. 59 between Beach Grove and Grass Lake roads.

However, no action was taken until the board can discuss with the owner a possible donation of land for park use.

INSTEAD, THE NOISE problem in Oakwood Knolls came up again.

Four residents appeared to complain about a "rock band" that practices at a home on Maplewood Drive.

Assistant Police Chief Charles Miller pointed out that 34 complaints of loud music have been received by the police in the last 17 months, all pertaining to the Michael Novak residence at 452 Maplewood Drive.

Mayor Haley and police officers said they have talked to Novak and received his assurance that he would reduce the level of the sound.

"We aren't ignoring the problem," Haley told the residents. "Let's keep the communications open and we'll keep working on it. Don't feel bad about calling the police ... that's what they're there for."

Today's Brightener

Our neighbor tells of the husband who telephoned his wife from the office on

Friday afternoon, said he was going fishing during the weekend and asked her to pack a bag for him.

He asked her to be sure and pack his blue silk pajamas because, after a day of fishing, he likes to

shower and shave and lounge about in them.

He returned from his trip, told her several little anecdotes about his fishing experience, then asked her: "Why didn't you pack my blue silk pajamas like I asked you to?"

"I did," she said, "I put them in your tackle box."

TRAPSHOOT ENTHUSIASTS flocked to the Northern Illinois Conservation Club range Sunday for the annual Lions Club "Safari" shoot. In the announcer's booth is

Bill Brook. Waiting their turns to fire are Gene Zannini, Don Morris and Lions' president Don Blackman.

get along with Mr. Meyer. That wouldn't cost the school district anything.

Many people might ignore this letter because it comes from a teacher, especially one who isn't even a taxpayer of this district (although I pay taxes like everyone else). But I think those of you who know me know that I'm concerned about the children of this district and that my concern extends beyond the limits of my classroom walls or the hours of my contract. I think it is a real shame that important services to the children get ignored so that a board that operates on personal likes and dislikes can use the money to take care of its "dislikes." Being a school board member is a thankless job. I personally know that each of our board members spend many hours away from their families without compensation or without thanks. But good intentions are not a substitute for good judgement, and this incident does not demonstrate good judgement.

Sincerely,
Paul L. Epernay

The Town Crier

THANKS TO KAREN PALKA, we have some good column material this week.

For example, Karen passes along these "thoughts for today" ...

"Why don't the Antioch stores stay open one night during the week (not Friday) for the benefit of the year-round residents? During the summer they sure cater to the out-of-town people."

"It sure would be nice if the banks in town were to be open on another night as well as Friday. How about a Monday or Thursday? (I think that sound we just heard was the bank employees wincing.)

"Pat Lorenz (Smiley's) is certainly happy about the date scheduled for the Chicago Bears' game to be played in Green Bay. Pat, who hates cold weather, goes every year anyway just to help her team win. I'm not going to tell you which team Pat roots for, but I don't think she wears green!"

"Have you seen the bowling shirts from Smiley's? The team bowls in the Thursday Nite Businessmen's league at 6:45 p.m. Read the SMALL print!"

EVERYTHING IS in full swing for the Food, Fellowship and Friendship senior center, which once again is meeting at Antioch's Scout house.

Betty Kieft reports that there will be movies on Sept. 19 and blood pressure will be taken on Sept. 21.

"The ladies are very busy working on things for the bazaar in November. They still could use some ideas on things to make, materials to make them with and willing hands to make a big job small. They also could use donations for their white elephant table, so clean out your cabinets and closets," Betty suggested.

The trouble with most reformers is that two of them so rarely agree.

"FRIENDS OF THE FAMILY," a mixed ensemble composed of alumni from Trinity College in Deerfield, will present a concert at 7 p.m. Sunday at Antioch's Evangelical Free Church. Pastor Bernard C. Fosmark said that "relationships with God, the family, and the Body of Christ, and an emphasis on a strong self-concept, will be related through the group's concert repertoire."

VIKING SCOREBOARD

Raiders

The Antioch Vikings featherweight Raiders started their season at Glenview Saturday.

The boys, coached by Mr. Roy Haass, Joel Bissing and Rob Nauman, looked impressive on their first outing, although they were defeated 16-0.

The team was hampered by injuries to a couple of their key personnel.

Lester Zitkus did an outstanding job at quarterback.

Buccaneers

The Antioch Viking Buccaneers lost to the Glenview Marauders last Saturday 26-6.

Tom Adams, Antioch's quarterback, scored his team's only touchdown. Coaches said outstanding plays were made by Mike Evans on offense and Tim Cardwell on defense.

All five of Antioch's Viking teams will play at

the local high school field this Sunday, with games starting at 11 a.m.

Lightweights

The Antioch Lightweights lost a hotly contested battle against a quick Winnetka team, losing by one touchdown, 16 to 6.

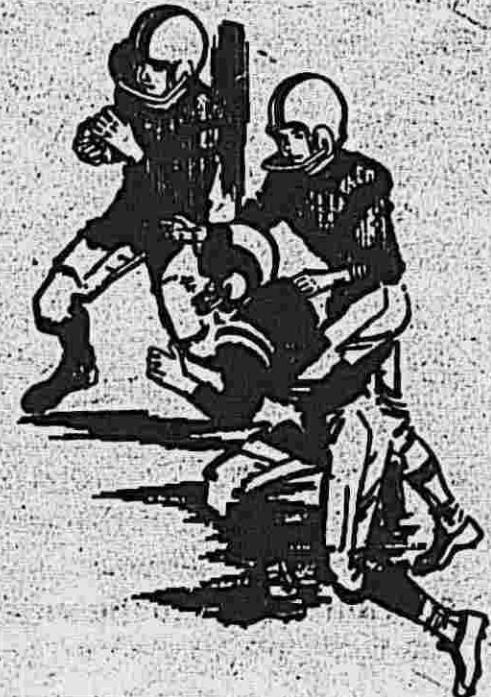

The lightweight Vikings, quarterbacked by Tom Haviland, scored their only touchdown on a series of power plays and sweeps by Bobby Thain, Andy Lehn and Pete Kessler.

The Winnetka team was held scoreless in the second half.

Featherweights

The Viking Warriors featherweights defeated the Fox Lake white team on Sunday, by a score of 34-0. Chuck Duha did an outstanding job at quarterback as did the offensive line.

Dan Berkiel scored runs

of 35 and 30 yards with extra points run in by Tad DeRousse. Tom McLellan added runs of 35 and 40 yards, with an extra point by Dan Berkiel.

Completing the score was a 10 yard run by Rich Lichten and an extra point run by Chuck Duha.

The defensive team of the Warriors also highlighted the win.

Heavyweights

The Antioch Viking heavyweights triumphed in their first game of the season by holding the line against Winnetka in a 20-18 confrontation.

Strong blocking by linemen Ray Bergman and Mike Kotlinski led the way for running backs Scott Poulter and Tano Martino. Quarterback Dean Berkiel teamed up with ends Jon Olson and Bob Gray for an effective offensive attack.

The first score came as Scott Poulter caught the ball in heavy traffic and broke two tackles on his way to the end zone. A two yard plunge by Berkiel and strong blocking by Olson and Mike Wienkers brought the team's second touchdown. Gray paved the way for the final score, making a tough catch with two defenders draped around him, to keep the scoring drive alive. Driving over the goal line on a short yardage play, Martino made the touchdown.

A well-balanced offensive attack coupled with a strong defensive machine assured the Viking Heavyweights of victory.

Boys, girls open cross-country season

By JENNIFER BIEL

After long hot (and cold) practices the Antioch Cross Country team was ready for its first meet last Tuesday against McHenry and Schaumburg.

"Runners on your mark!"

The call was heard three times - for freshmen and girls, for sophomores and varsity. Antioch lost the freshman race 38-17-but a great deal of effort was contributed by Dave Mohar 5th, Mike Willems 6th, Nancy Harland 8th and Jerry Mahoney 9th.

THE SOPHOMORE TEAM had only two competitors from Antioch - Jon Gibson and Dave Waters. The varsity team came on strong with Jim Ellers 13th, Zane Rogers 20th, Edison Sankey 21st and Jim Collis 25th. Everyone

was stunned when Bob Otten, a freshman, came in 17th in the varsity race.

The team doesn't only consist of boys. It is a great way to get in shape for girls, too.

Runners not mentioned, but who gave it their all were Daryl Sankey, Donna Lovelace, Matt Firestone, Tracy Curtis, Kevin Sheppard, Diane Otten, Cindy Irmens, Dan Reban, Jim Gambers, Chuck Rogers, Bob Silvola and Carrie Corso. The team's coach is Ken Kasuboski, or "Mr. K."

IF YOU'D LIKE to know more about the dates of meets, contact the high school.

Cross country is exciting, scenic and a fine way to get in shape. Even spectators enjoy it.

Marszalek shoots front nine in 32

By JERRY PFARR

At least three suggestions were offered Sunday on how to beat Chris Marszalek in next Sunday's final round of the Antioch Open.

1. Blindfold him.
2. Make him play left-handed.
3. Take away his golf balls and make him use a wiffle ball.

THESE RULES WERE SUGGESTED after the 23-year-old unattached pro shot a two-under-par 68 in the first 18 holes of the 36 hole tournament.

The final 18 will be played next Sunday, starting at 12 noon at Spring Valley Country Club in Salem, just north of Antioch.

Marszalek has a nine-stroke lead in the championship flight. The tall, long-hitting young man who played in this year's U.S. Open in Tulsa, Okla., had played Spring Valley only once before. That was in a practice round and he had a "bad-for-him" 75.

But Sunday he sizzled around the rather difficult front nine in 32, three strokes under par, and then settled for a 36 on the second nine when his hot chipping and putting cooled off.

TAKING OVER SECOND PLACE was Ed Behne of Lindenhurst, who shot a 77 on nines of 38 and 39.

Rod Winn, the polished Salem township amateur, who averages near par, had a mediocre day for him with 78 on nines of 40 and 38.

Nick Marucci, the fine young pro from Antioch Country Club, also was several strokes over his average when he finished with an 80. After a disastrous 43 on the front nine, including an 8 on the long and tight fourth hole, Marucci recovered to shoot a 37 on the back nine.

THESE FOUR -- MARSZALEK, BEHNE, Winn and Marucci -- will be playing in the featured championship group this Sunday when they tee off at 12:14 p.m.

Marszalek, from Arlington Heights, is a friend of Marucci's and is now living on Lake St. in Antioch. He is working toward his Professional Golfers Association (PGA) card and will compete in sectional qualifying Sept. 28-29 near Chicago.

He qualified for this year's U.S. Open with rounds of 75 and 69 on the tough Plum Tree layout in Harvard, Ill. At Southern Hills in Tulsa he had rounds of 73 and 78 and missed the 36-hole cut in the U.S. Open by only four strokes.

HIS 32 ON THE front nine at Spring Valley, a fine test of golf, was something to behold.

Marszalek got his first birdie on the 539-yard second hole when he hit a drive, a 5-iron close to the green and chipped to within a foot of the hole.

He went two-under-par on the 130-yard third hole by hitting a 9-iron 25 feet from the flag and rolling in the putt.

He parred the difficult fourth, fifth, sixth holes and seventh holes and also the eighth. On the ninth he went three-under-par with a lengthy drive and a sand wedge that stopped two feet from the hole for an easy putt.

Marszalek said he chipped and putted "good" on the front nine, but his drives and irons were excellent, too. His putter cooled off on the slightly easier back nine after he

birdied the 505-yard 12th hole with a drive, a 4-iron and two putts from 10 feet.

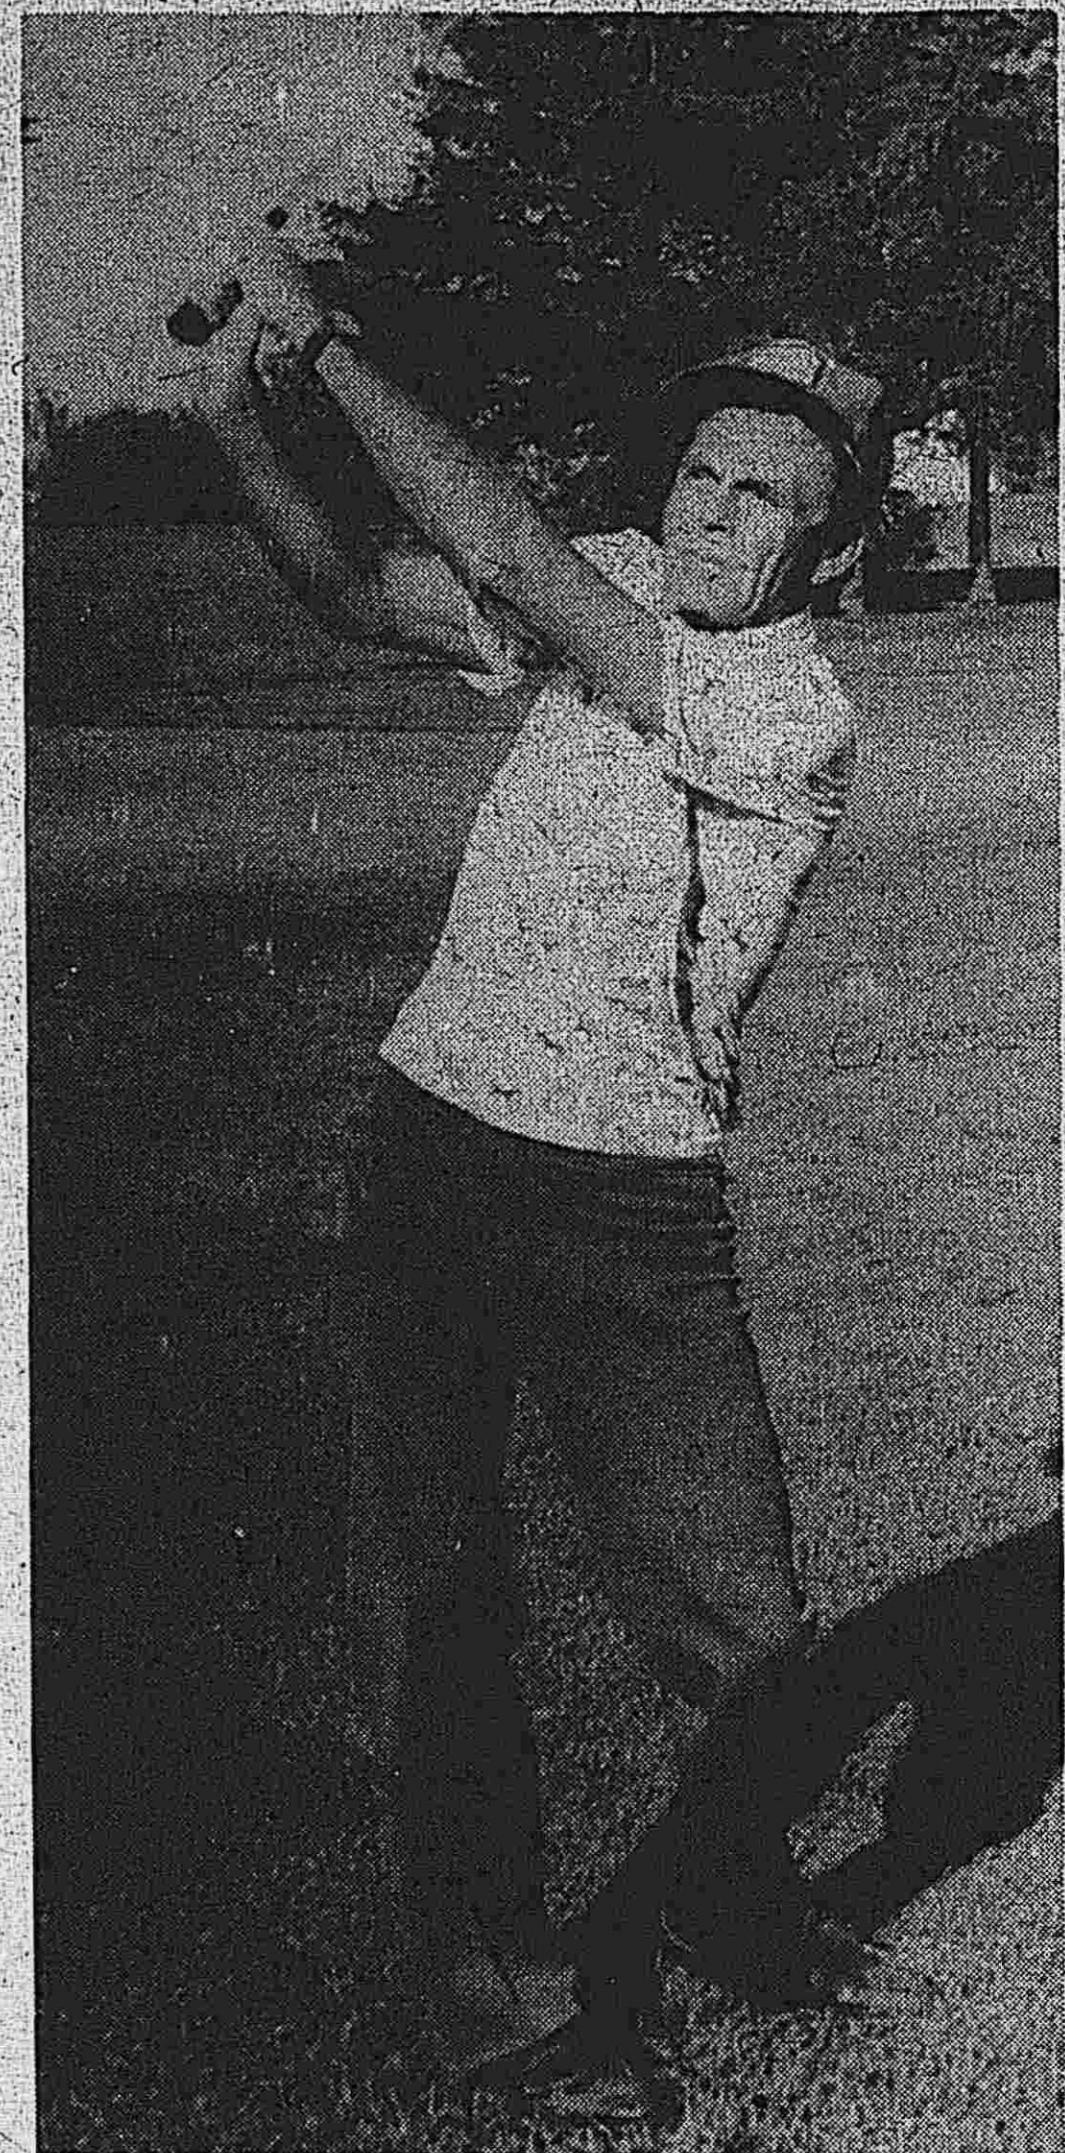

On the easy 260-yard 14th hole he reached the green with a 4-wood but three putted from 25 feet. Then, on the very scenic and tough 435-yard 15th, he used a driver and a 5-iron but three putted from 30 feet. He then parred the last three holes for his 68.

Unless Marszalek runs into trouble in Sunday's final round, he will win the championship trophy and a \$50 gift certificate for first place. Behne, with 77, Winn, with 78, Marucci, with 80, and Charlie Anderson, with 80, are his closest pursuers. They and the other members of the championship field will be playing for the second place trophy and a \$30 gift certificate.

Trophies will be given to the first three finishers in each flight and gift certificates to the first five.

HOLDING SECOND PLACE in Class A is Dennis Korjenek Sr., who fired a 78 in the opening round. The Antioch Open winds up Sunday at Spring Valley with 68 players teeing off beginning at 12 noon.

LEFTY BOB SARVER showed the way in Class A in Sunday's first round of the Antioch Open. Sarver shot a 75 and leads his nearest rival by three strokes.

Bob Sarver's 75 leads Class A

Bob Sarver, Dennis Korjenek Sr., Bill Collins and Dean Schultz.

They are the golfers to reckon with Sunday when the final 18 holes of the Class A flight of the second annual Antioch Open are played at Spring Valley Country Club.

Sarver, the only southpaw in the field of 68 golfers (20 more than last year), took the Class A lead with a 75. He cruised over the front nine in 39 strokes and then solved the backside with a one-over-par 36. He gave the credit to a "hot putter."

His 75 was the second best score of the day, beaten only by Chris Marszalek's 68 in the championship flight.

SARVER, WHO SHOT in the 80s in the championship bracket last year, has been averaging about 82 or 83 at Spring Valley this year. Last Sunday he double bogied the long 4th hole but bounced right back with a birdie two on the 230-yard 5th. On the back nine he birdied the par-five

12th and played steady, near-par golf the rest of the way.

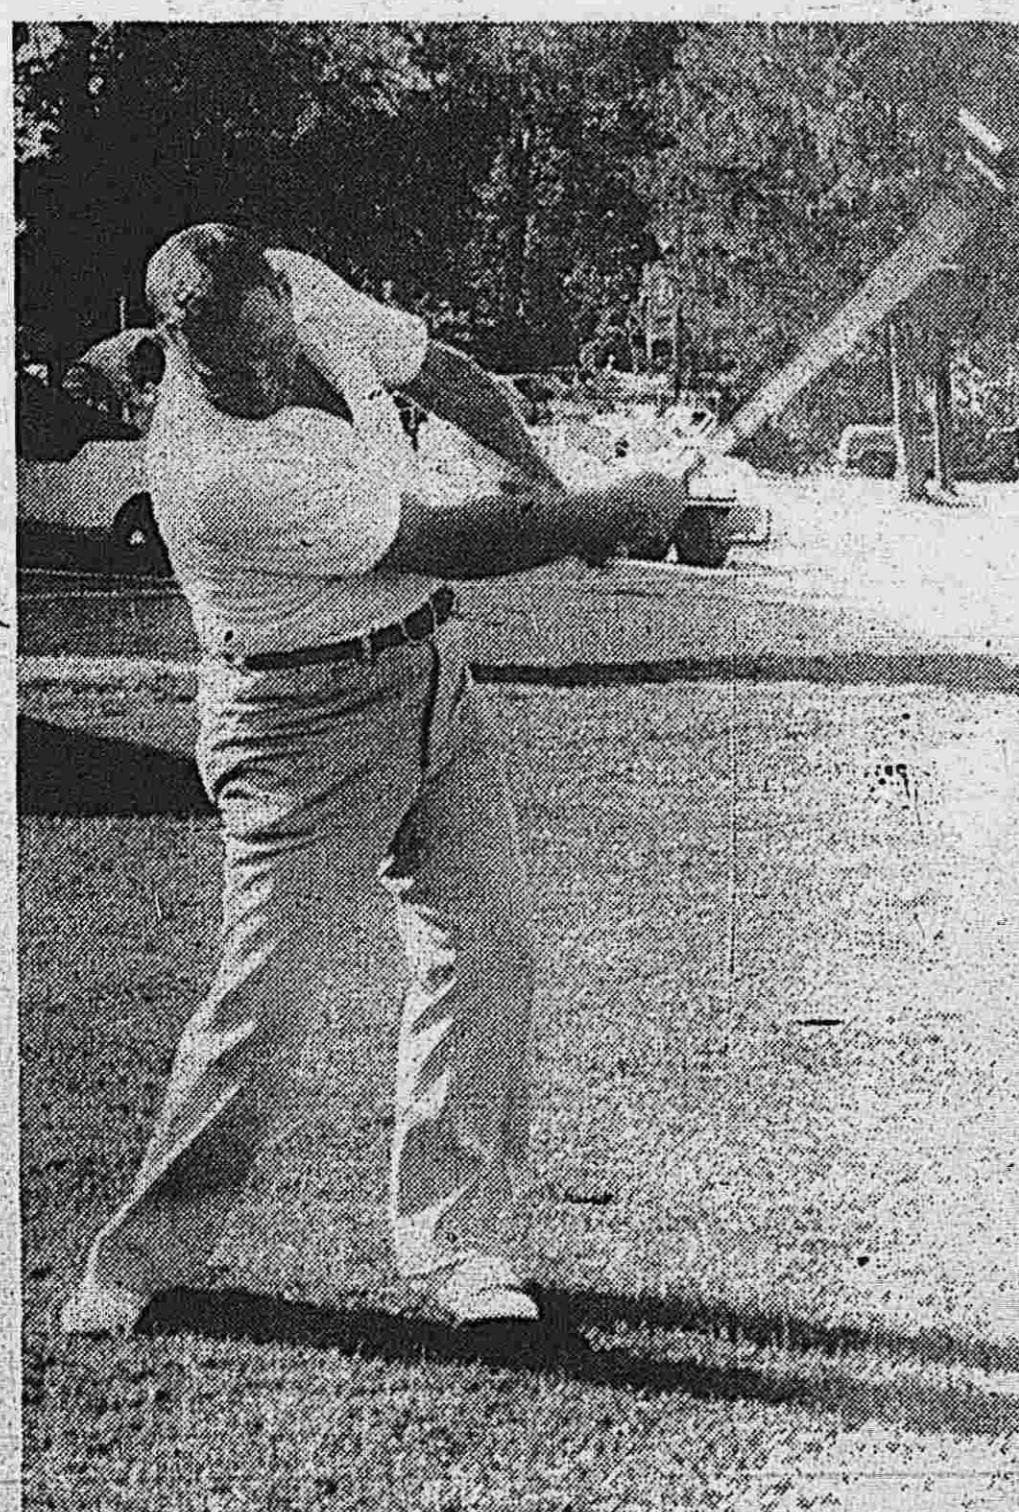

Korjenek stayed in contention, only three shots off Sarver's pace, with steady sides of 39 and 39.

Collins, who has been averaging 83 and 84 at Spring Valley, took third place with his 79. He started shakily with a 43, then sizzled around the back nine in 36, getting six pars and a bird on the par-five 12th.

Schultz was one of the top finishers in Class A last year when the first Antioch Open was played at Antioch Country Club. He led after the first round with a hot 74, then cooled off to a 91 in the second round.

Last Sunday, at Spring Valley, he carved his 80 on nines of 39 and 41. Schultz has been shooting the course in the low 80s this year.

Several other Class A players were in the low 80s last Sunday and are still in contention for the final 18 holes coming up this Sunday.

ONE OF THE CONTENDERS in Class A in the Antioch Open is Bill Collins, who shot a 79 Sunday to rank third, close behind Bob Sarver and Dennis Korjenek Sr.

MAYOR MIKE HALEY of Antioch (right) congratulates 23-year-old Chris Marszalek after the young pro

shot a 68 to take the first round lead in the Antioch Open golf tournament.

Jon Lasco, 20, tops Class B

Can you imagine putting poorly and still leading 32 other players in a golf tournament?

That's the situation 20-year-old Jon M. Lasco found himself in Sunday when he came off the 18th green at Spring Valley with an 86.

That score, built on nines of 42 and 44, gave him the lead in the Class B flight of the second annual Antioch Open. And about half of his 86 strokes were used up on the putting surfaces.

LASCO HIT THE BALL long and strong, but on one green he even four-putted. He isn't worried about that when he tries to keep going for the Class 'B' title this coming Sunday. Jon is usually a good putter. he is also a powerful striker of the golf ball.

Jon had a 7 on the par-five second hole last Sunday and an eight on the par-five fourth. But he overcame those disasters by parring the shorter third, fifth, seventh and 11th holes with threes.

THE TOP FOUR PLAYERS in Class B will tee off at 1:17 p.m. Sunday and it promises to be an interesting battle. Right behind Lasco are high school wrestler Tim Haviland with an 87, grade school business manager Ron Chilcote with an 88 and Robert Brummond with an 89.

Any of those four, plus several players who shot in the low 90s last Sunday, are still in contention for the first place trophy and the winner's \$50 gift certificate.

Brummond got his 89 last Sunday despite a 10 on the par-three fifth hole, a 230-yard "tiger" over the water. But he settled down and breezed through the back nine in 42.

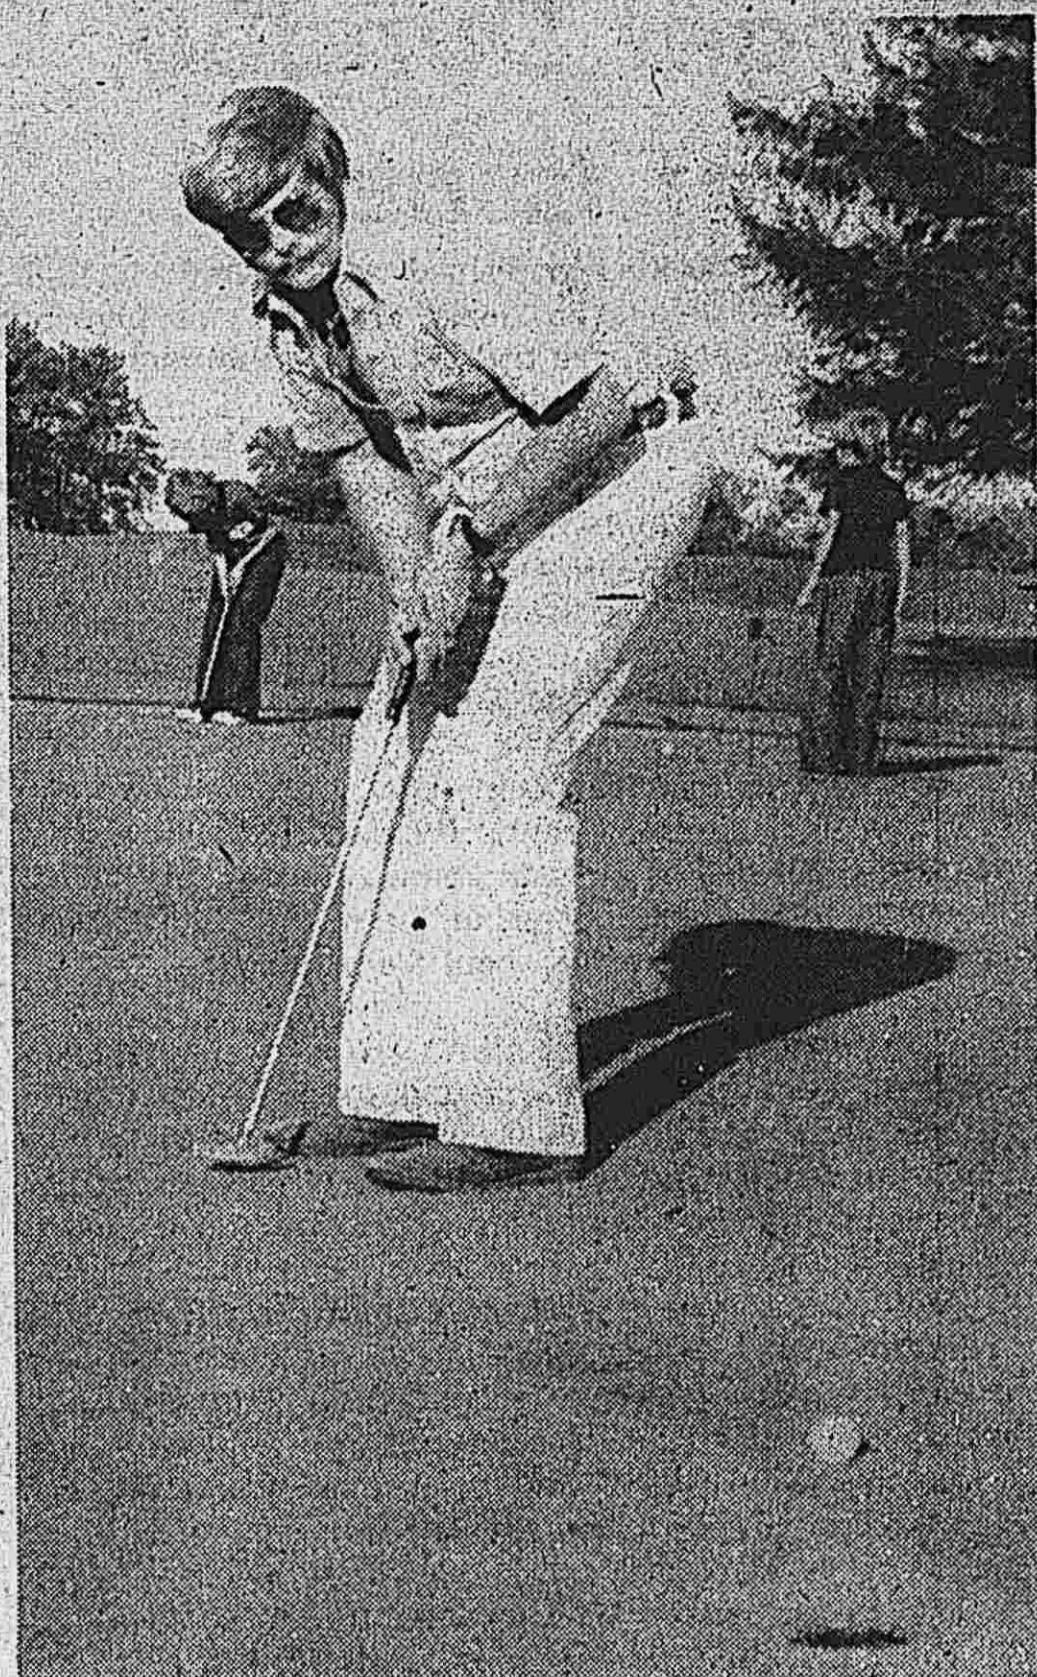

Speedway's big winner

At the Waukegan Speedway last Saturday night, Ray Dixon in his Buick Skyhawk was the big winner in the sportsman division as he won his second consecutive 25-lap feature and his third of the season.

Larry Cash was a double winner in the hobby division as he won the 12-lap feature and a heat race.

In the sportsman feature, Dixon went on for the win over Antioch's Dan Hagi, Dennis Roslansky, the night's fastest qualifier, Antioch's Don Collins, and trophy dash winner, Lee Tibbets.

A powder puff, mechanics and employees race will highlight the final night of racing this Saturday.

THE LEADER IN CLASS B, Jon M. Lasco, rolls in a curving putt on the practice green prior to going out and shooting an 86 in the first round of the Antioch Open last Sunday.

Punt, Pass & Kick contest scheduled

Registrations for the 1977 Punt, Pass & Kick competition sponsored locally by the Lyons-Ryan Ford-Mercury Co. of Antioch, continue to roll in.

The contest is open to any youngster 8 through 13 years of age.

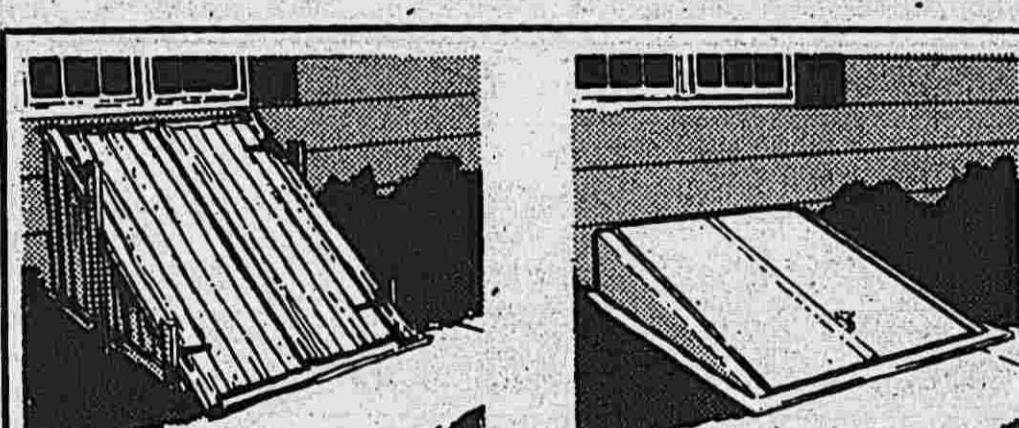

The competition will take place on Oct. 2 at 2:30 p.m. at the high school football field.

Any youngster meeting the age requirements who can punt, pass and kick a football -- or who'd like to try -- will want to compete. Participants compete only against others their own age, and there is no body contact.

No special equipment is needed and participation does not impair a youngster's amateur standing.

Each youngster will compete in three categories -- punting, passing and kicking. Judges will score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center tape.

Youngsters, accompanied by a parent or guardian, can register for PP&K at the local Ford dealer. There is no entrance fee.

Forget Dundee, Grant is next

Something shocking happened at the Antioch High School football field last Saturday and local fans, plus the players and coaches, are trying to erase that nightmare from their minds.

Dundee, which defeated Antioch 12-6 last year, walked away with a 34-6 win in the 1977 season opener here.

Local "experts" had a hard time explaining it, except to say that Dundee marched at will through the Antioch defense.

BUT, LO AND BEHOLD, a victory may be looming on the horizon.

The Sequoits open their conference season at Fox Lake Friday night against Grant's Bulldogs. We can almost assure you it will be a closer game than last Saturday's.

Sophomores start the fun at 6 p.m. and the varsity kickoff should take place about 8 o'clock.

THE SAME DUNDEE PLAYER who ran through Antioch's defense last year was the star of last week's game. John Boedigheimer (he's as hard to pronounce as he is to tackle) gained 97 yards in 17 charges at the Antioch defense. His teammate, Dan Ervin, scooted for 84 yards in 17 carries.

Antioch got some fine running from Gene Lehn, who rammed through Dundee's line for 64 yards in 14 carries. Kenn Rosenbrock picked up 24 yards in seven tries and returned three kickoffs for 66 yards.

Quarterback Brian Andrews was able to complete only six of his 16 passes for 79 yards. Tim Huebner caught three of them for 53 yards.

Dundee rushed for 264 yards and five touchdowns.

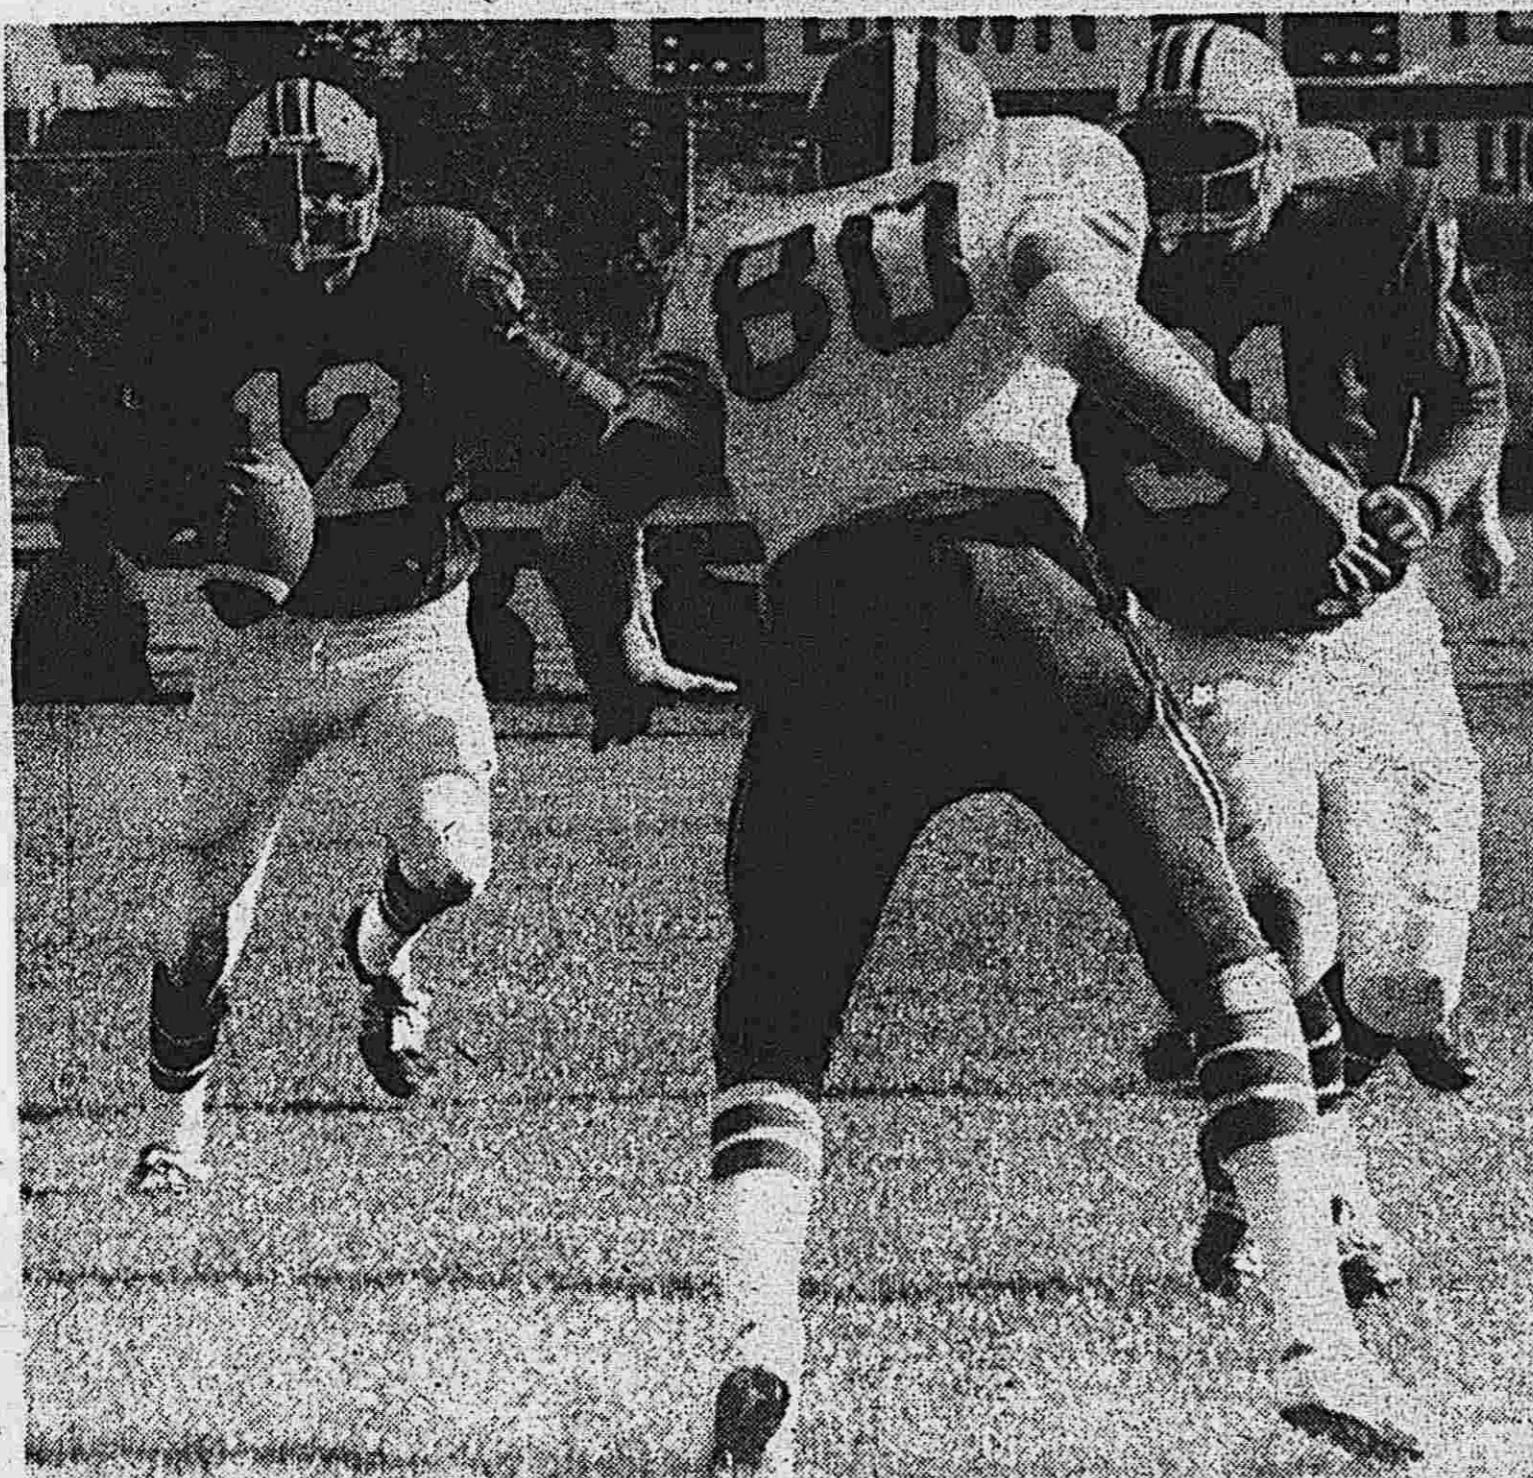

The Cardinals passed for 62 yards to post a 326-167

PICKING UP YARDAGE for Antioch after catching a pass is Tim Huebner (86 on helmet). The Sequoit varsity lost its opener

to Dundee here last Saturday but has high hopes of winning Friday night, 8 o'clock, at Grant High School in Fox Lake.

Soph football

The Antioch high school sophomores opened their football season Saturday with a 28-0 victory over Dundee.

The offense gained 326 yards, 174 rushing and 152 in the air. Dundee had a total of 110 yards.

The offensive unit was led by Mike Fox with 11 carries for 86 yards and Denis Flaschner having 15 carries for 73 yards. Quarterback Jim Sertic completed 6 of 9 passes.

The Sequoit defense only allowed Dundee to pick up 49 yards rushing for the entire game.

Football contest

Continued from page 16

by forecasting that Dundee would beat Antioch's Sequoits by 24 points in their football opener here.

Dundee won by 28 points, to the surprise of almost everyone but Harry. So, he wins a check for \$15 from the Thelen Sand & Gravel Company. We'll be sending it to him this week.

SECOND IN LAST WEEK'S contest was Shirley Gutowski, another person who has won prizes often in our contests.

Shirley picked Dundee by 19 points and came second closest among the many entries. She wins a \$10 gift certificate at Stanley's Men's Fashions, which ought to make her husband, Bernie, or one of her sons very happy.

THE THIRD PRIZE, a \$5 gift certificate from Dave Zickus' Piggy Bank Discount Store, was won by Beth Dubek, who predicted a 17-point win for Dundee.

Another football contest appears in today's Antioch News. The game starts at 8 p.m. Friday, at Grant in Fox Lake, so drop off or mail your entries before then.

advantage over the Sequoits in yardage from scrimmage. "They wore us down and they were a little more aggressive than our kids," said Antioch Coach Roy Nelson. "I was rather impressed though by the way Gene Lehn ran for us and (quarterback Brian) Andrews did well I thought."

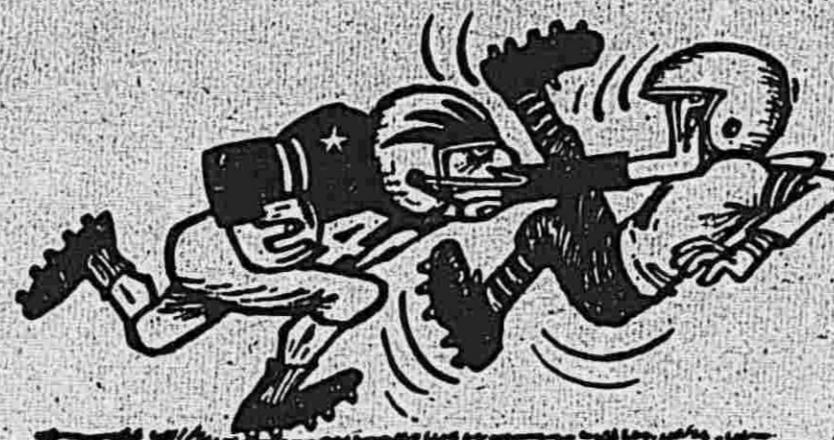

"But as far as our defense, we just fell apart," he added. "Rich Packert did a good job holding up his side of the defensive line from time to time but we played in waves. Sometimes we looked like a million bucks through the course of the 48 minutes and at other times, we didn't look good at all. We want to work on consistency."

Twice in the same quarter, Antioch was hit with bad breaks.

An offensive pass interference penalty at the Dundee five-yard line halted a Sequoit drive in the third quarter and later in the period, Darren Houghton came up with a pass interception for Antioch but was stopped at his own one-foot marker.

Moments later, Antioch had to punt from near its end zone and the Cards got possession at the Sequoit 39. Seven plays after that, Dick Schwartz scored on an 11-yard carry making the score 28-6.

Antioch's touchdown came on Al Moore's one-yard

carry in the second quarter. The Sequoits missed the extra point leaving them a point down, 7-6. Antioch moved 57 yards in 12 plays for the score.

LAST WEEKEND, THE Grant Bulldogs ripped Lake Zurich 27-6.

Keith Kelly, at quarterback, threw back-to-back passes of 32 and 47 yards for a touchdown.

Grant may turn out to be a better squad than experts had anticipated if Saturday's game is a true indication. After the Bulldogs got rolling in the second half they showed a well-balanced offensive attack.

The team's two quarterbacks finished the afternoon with seven completions in 15 attempts for 127 yards.

The team is showing a lot of promise, even though only half of the girls are experienced in field hockey.

Members of the team are Barb Acord, Jan Bakula,

Margaret Bessette (captain), Lorna Brooks, Diana DeVries, Shelley Ester, Kathy Feldmann, Donna Hall, Sandy Kessler (co-captain), Barrie Kovach, Beth McClellan, Melanie Mohar, Beth Mueller, Kathy Murphy, Sharron Nelson, Irene Nevitt and Chris Nielsen.

Limerick wins softball titles

The Limerick Lounge softball team of Antioch defeated Furlan's 4-3 to clinch first place in the 16-inch Classic League at Furlan's Dugout in Trevor.

The Limerick finished the season with an 18-3 record, five games ahead of second-place Furlan's.

With the score tied 3-3 in the bottom of the sixth, Wayne Olandese tripled and scored on Kevin O'Neill's fly ball to give the Limerick the victory. Olandese, Jim Shore and Pat Ring each contributed two hits in the game.

In the Tuesday 12-inch league, the Limerick also captured first place with a perfect 12-0 record, two games ahead of Stanich Realty of Kenosha. The Antioch team then won the league playoffs with victories over Furlan's 10-3 and the Trevor Merchants 21-8.

AGAINST FURLAN'S, Steve Miklautsch and Tim Osmond hit home runs.

The second game saw Olandese and Don Zeman hitting home runs and Rick Herdaska, Ring and Steve Dobner lashing triples to give the Limerick the championship.

In the two-game playoffs, Dick Petersen had seven hits. Olandese and Shore five, and Zeman and Al Comstock four hits each.

The Limerick players also credited Marnie Baker with superb pitching all season in both the league and the playoffs.

With short fences for 12-inch softball, Baker did an excellent job of keeping the Limerick in every game.

The Limerick finished the season with an overall record of 55-18. Team members were: Steve Miklautsch, Dick Petersen, Bob O'Neill, Marnie Baker, Pat Ring, Adam Ring (bat boy), Rick Herdaska, Steve Dobner, Don Zeman, Jim Shore, Wayne Olandese, Tim Osmond, Al Comstock and Kevin O'Neill.
